Dear Choir Member, Future of the Norfolk Millenium Male Voice Choir

Since David and Neil's announcement, on the 17th of November, that they both intend to leave the choir after the last main concert in December 2009, I have taken it upon myself to try and ascertain the wishes of the choir members as to the future of the choir.

As you will realise, there will be a need for a new Musical Director,together with some form of Management Committee which I feel is necessary to run a choir of our size.

I feel that it would be a great shame if the choir were to finish! What do you think?

I am asking these questions in plenty of time, knowing from past experiences, how difficult it is to obtain the services of a competent Musical Director, and I feel that if we were to decide to continue as a choir, then we will need several months to obtain a person to fill this post!

Would you complete the form attached so as to give an idea of what in fact you want to happen, and return it to me within the next two weeks!

Sincerely yours

Chris Williams
